Giulio Maggiore

Telecom Italia

Mobile Control Layer Engineering

**The TTCN-3 User  
Conference 2008**

MÉTODOS Y TECNOLOGÍA

**June 3 - 6, Madrid, Spain** • *Palacio de Congresos* • [www.mtp.es/TTCN3UC2008](http://www.mtp.es/TTCN3UC2008)

## Continuos growing of testing needs

- Testing is becoming every day a strategic issue;
- ETSI play an important role in testing scenario;
- ETSI MTS (Methods for Testing and Specification), ETSI INT (IMS Network Testing) are only an example of ETSI testing;
- TTCN3 will play a fundamental role in the future bridging Academy and industry
