

June 4^o , 2008 - Madrid

TTCN 3 User Conference Welcome & Introduction

Giulio Maggiore

Telecom Italia

Mobile Control Layer Engineering

**The TTCN-3 User
Conference 2008**

MÉTODOS Y TECNOLOGÍA

June 3 - 6, Madrid, Spain • *Palacio de Congresos* • www.mtp.es/TTCN3UC2008

Continuos growing of testing needs

- Testing is become every day a strategic issue;
- ETSI play an important role in testing scenario;
- ETSI MTS (Methods for Testing and Specification), ETSI INT (IMS Network Testing) are only an example of ETSI testing
- TTCN3 will play a fundamental role in the future bridging Academy and industry;
- Not “Very Positive” experience with TTCN 1 and 2

The TTCN-3 User Conference 2008
